Modern HR tech for modern business

If it's increasingly difficult to manage your HR tasks, it's a sure sign that your company is growing. Whether you've realized that Excel sheets aren't the best way for HR to onboard and manage your people, or you've outgrown a legacy system, there's a better way. Human Resources Information Systems (HRIS), also called Human Resources Management Systems (HRMS), were designed to help you manage your company's growth and team members.

But not all HR solutions are built alike. Fast-growing businesses require a flexible system to meet your specific needs today and help you build a successful company in the future.

Claude Silver

Chief Heart Officer VaynerMedia

"2020 was the year that pushed the practice of HR into the spotlight. I knew that my ability to help our 1,000 employees grow through this tough year would only be possible with the right tools and structure in place.

Bob has enabled us to keep our people informed, engaged, and productive but perhaps most importantly, to nurture the unique culture and vibe that makes VaynerMedia such an exceptional place to work."

When comparing Hibob to BambooHR, ask these six questions to discover which HRIS best fits your business.

4. Can BambooHR solve your unique business needs at scale?

No two businesses are alike, and your unique organization needs flexible HR technology to help solve the challenges you'll face as your company grows and changes. Many HRIS solutions are rigid or offer limited flexibility that cannot sustain company growth or scale over time.

5. Does BambooHR increase productivity and ease collaboration?

The world of work has completely changed. Companies of all sizes are more distributed than ever, with many employees working at home, remotely, or in a hybrid work model. A good HR platform needs to help companies overcome disconnected teams that affect company culture, make people feel isolated, and hinder productivity and collaboration.

The image shows a user profile card for Maria Bridges, CPO. At the top left is a circular profile picture of a woman with red hair. To the right of the profile picture is a yellow thumbs-up icon and the number 5. Below the profile picture, the name "Maria Bridges, CPO" is displayed. Underneath the name are two horizontal bars representing progress or status. Below these are three work model options: "WFH", "WFO", and "Hybrid". The "Hybrid" option is highlighted with a green bar. Below the work model options is a "New hires" section. This section contains two entries, each with a circular profile picture, two horizontal bars, and a date and duration.
